Summary

3GmediaSolution is a creative agency with dynamic and energetic people in their team. We are always in search of similar minded people who will add value to the organization. We try to understand our employees and make bonds. We are there with them and love to work as family. We work in creative design, front end developments, PHP frameworks, CMS driven sites, eCommerce sites and mobile APP development.

WHY 3GMEDIA?

- > Professional work environment.
- > Work life and personal life balance.
- > Salary on 7th of each month.
- > Yearly bonus on performance.
- > Opportunity to add new skills to your career.
- > Politics free environment. Only work matters.

If you are working in the above fields and looking for an opportunity to grow then mail us your CV for an interview.
